Key Features

Stronger Choice for Medium and Large Rooms

Compared with compact room bars, CS-KITPLUS-K9 is better suited for larger meeting spaces where wider camera coverage and flexible display layouts are required.

Enterprise Bundle with Core Components Included

Includes Codec Plus, Quad Camera, and Room Navigator, reducing sourcing complexity and speeding project deployment.

Intelligent Quad Camera Experience

Quad Camera supports speaker tracking, people framing, and meeting equity features that improve hybrid collaboration quality.

Triple-Screen Flexibility

Supports up to three displays, ideal for rooms needing separate screens for participants, presentations, and collaboration content.

Hybrid Deployment Ready

Can be registered to Webex cloud or on-prem environments, useful for enterprises with mixed collaboration strategies.

Better Long-Term Room Standardization

Suitable for global enterprises deploying repeatable medium-room meeting standards with centralized Cisco management.

Front Panel

Specification

Parameter	Details	Parameter	Details
